Pannello PVC Wall & Ceiling Panels

Where style meets simplicity. Pannello PVC Wall and Ceiling Panels are made to transform everyday interiors into clean, modern spaces without the disruption or cost of traditional tiling. Designed with precision and a contemporary finish, our panel range offers elegant surface solutions for bathrooms, kitchens, utility rooms, and beyond.

With a wide variety of panel formats from sleek 1 Metre wide boards to classic 250mm profiles including realistic cutline effects, this collection brings versatility and modern design into perfect alignment. Whether you're working on a full renovation or a quick refresh, these panels offer a clean, consistent finish that fits both residential and commercial settings.

Contemporary Collection

1 Metre Panels, Matt Range

Understated and elegant, the **1 Metre (10mm x 1000mm x 2400mm) Matt Panels** offer a soft-touch finish that's refined and timeless. Ideal for those seeking a modern, low-sheen aesthetic, this collection brings calm and consistency to any room. The broad format allows for quicker coverage, making it a smart choice for larger installations where style and speed go hand in hand.

For enhanced durability, selected panels in this range also feature a **Super Matt** coating, offering a harder-wearing, scratch and stain-resistant finish.
